ROSEWOOD Final Conference

16.01.2020, Florence

This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 776754.

ROSEWOOD CENTRAL HUB CURRENT SITUATION

	Germany	Austria	Switzerland
University	Bachelor & Master programs (Forest management)	Bachelor & Master programs	Bachelor & Master programs (Forest Sciences)
Higher professional training	Forester (vocational school Schwandorf) or Forestry master	Different courses offered from Secondary School of Forestry	Forester or ranger at the Forest Training Centre in Lyss
Basic vocational training	Educational and professional training from ForstBW	Two forestry training centers in Traunkirchen and Ossiach	Forest worker EFZ (3years) forest worker group leader, Supervisor and other courses
Non-formal education	Offers from ForstBW and initiatives like "Haus des Waldes"	BMNT offers forest management courses for owners of small forest enterprises	FOWALA (Fortbildung Wald und Landschaft) and others

EDUCATIONAL SWOT CENTRAL HUB

Strengths

- Excellent expertise
- Practice-oriented work
- High quality standards in education

Weaknesses

- Fragmented ownership structure
- Urbanised forest ownership

Educational
SWOT

Opportunities

- Broad range of different educational options
- Implementation of technical development into training in the future

Threats

- Society lacks in knowledge about the forest
- Lack of qualified forest workers

EDUCATIONAL BEST PRACTICES

Country	Best Practices
Austria	High training standards at all levels of the education system
Switzerland	High permeability within the system, promotes live-long learning
Germany	German apprenticeship system & the platform “wald-wird-mobil.de”

ROSEWOOD ROADMAP CENTRAL HUB

- Wood mobilization often means **forest owner mobilization**
 - Education & Motivation
 - Found joint-stock companies
- **Society**
 - e.g a campaign that shows facts, needs and current issues of the forest in a simple and fun way
- Need for research and education because of **climate change**
- Forster **communication in the value chain**, network events with professional speeches

**THANK YOU FOR
YOUR ATTENTION!**
